S U M M A R Y

I'm a skilled Computer Science and IT professional with a B.S. in the field. I'm proficient in JavaScript, PHP, Python, and C++, and I excel in software and web development, as well as system design. I'm a strong problem-solver who enjoys learning and consistently delivers high-quality work in fast-paced tech environments.

E D U C A T I O N   H I S T O R Y

🎓 **Bachelor of Science in Computer Science and Information Technology**
Institution: Federal University Dutsinma, Katsina.
Year of Graduation: 2023
I earned a Computer Science and IT degree from Federal University Dutsinma in Katsina State, Nigeria. My studies equipped me with strong skills in programming languages (PHP, JavaScript, C++, Python) and web design (HTML, CSS). I excel in problem-solving and am a dedicated learner, enabling me to contribute effectively to diverse technological projects.
